

Sonshine Soup Kitchen News

Providing a free meal to anyone in need.

Fall/Winter Edition
November and December, 2015 & January and February, 2016

One of these beautiful

autumn days I took a walk around my block. It was an exquisite day, and I started to play a walking game that I have played since

childhood, kick the rock. But instead of kicking rocks, I started kicking acorns, just because they were so available. The rules are simple. Kick the acorn. If it rolls off the road or over the center line, it is out of play and the game restarts with a kick to another acorn. My record on this day was two consecutive kicks. Not exactly Olympic material.

While pondering my lack of skill at kicking acorns (or maybe just the ornery uncooperative attitude of the nuts) I became aware of the incredible abundance of the little nuggets. The ground was covered with them. I could not take a step without stepping on them and thought, what a good year for the squirrels!

The reason for a bumper crop of acorns, also known as a "mast year", may have a tie to weather (Accuweather.com) I found out from the internet. But I look at it more as an example of God's abundant provision. He doesn't just provide enough acorns to feed the animals and regenerate the oaks; He *lavishes* the earth with them. Sure, it may relate to weather, but He created that too.

Just as the creatures are provided for with such overflowing plenty, so is the Soup Kitchen provided for with holiday donations by the community. I am grateful for the persons who give so generously so that we can provide meals with seconds and thirds. Be blessed in your giving.

~ Gynthia

You crown the year with your bounty, and your carts overflow with abundance.

Psalm 65:11 (NIV)

Voices: our volunteer kitchen crews

A good cook knows how to blend the ingredients in the right proportions and cooks them at the right temperature to make a delicious meal the same way each time. A chef cooks the same dish differently each time, like a jazz musician who knows the melody, but is not bound by it. Evan Gaythorpe, the staff member who runs the kitchen, is our jazz musician at the Sonshine Soup Kitchen. He doesn't cook the food, or serve the guests, but he blends the rich ingredients of a different volunteer kitchen crew each day and mixes them together with the food and our guests to make the banquet that is the Sonshine Soup Kitchen meal.

The main ingredient

My name is Liz Boulais, and I

have been a volunteer with the Sonshine Soup Kitchen for many years. During this time I became friends with the Program Director, Christine. One evening in August I arrived to get the food for home deliveries, and Christine and I struck up a conversation. She mentioned that she was praying to Jesus to help her find a person to take over her duties at SSK while she was on leave for several months. I jumped at the opportunity knowing it would be interesting work and that I could help a friend. I had been helping run an outreach for the homeless in Manchester for the last six years and was getting a bit burned out. Just the change I needed.

BIG SHOES TO FILL is an understatement when it comes to all the aspects of Christine's job. I figured that no matter what falls through the cracks, if I just put a meal on the table Monday through Friday I've succeeded! So when Christine comes back there will be statistics to calculate and reports to catch up on, but she can be assured our guests left SSK satisfied.

Working with Cynthia, Ray and Evan has been an honor. SSK could not be in better hands then the dynamic four who keep it running year round. If all companies ran this efficiently the world would be a better place.

As for the volunteers – they are the most awesome people in the world with so much love for service to others. Truly, some of the people who have inspired me and touched my life the most have been those that I have met while volunteering. Nothing brings me more satisfaction then to have Him use me to change the lives of others. — Liz

Voices: our volunteer kitchen crews

(continued from page 1)

To be fair, our kitchen volunteer crews are extraordinary; some of these teams have been serving for as long as there has been a Sonshine Soup Kitchen. Their motives for coming back time after time is to serve others, and for many, to serve the Lord Jesus. When they were asked why they keep coming back, some said that they "enjoy seeing the guests and how appreciative they are for what we do for them." Another kitchen crew member said, "I like seeing the faces of the guests when they taste the meal." Someone else answered more directly, "I love the people here."

First time volunteers are often somewhat timid initially, but over a very short time they become skillful veterans anticipating the guests' needs before they ask. Whatever their motives for volunteering, this change, dare I say, conversion, is wonderful to see. One said, "Service is the best medicine ever prescribed for the heart." Another came to recognize that not only is it important to give back to the community, but it was fun!

Some of those asked, "What did you take away from this experience?" said they came away with a sense of humility, others mentioned that they "received a great joy in my heart," others were surprised by how happy the guests were, how appreciative and "how willingly everyone shares and assists others with politeness." One volunteer nailed it and said, "I took the gift of God away with me." That is certainly the spirit of the Sonshine Soup Kitchen. The kitchen crews feel it, the guests see it, and the staff knows it. We bring Christ to our guests by our service to them, without judgement or condition,

and it is fun. ~ Ray

TO GIVE GOOD PRESENTS

Spinathon for hunger

The third annual Spinathon for Hunger will be hosted by Derry's Zoo Health Club (35 Manchester Rd.) on Saturday, November 14 from 11 AM until 1 PM. Some 20 individuals or team will be

pedaling up a sweaty storm in an atmosphere of comradery, energy and good will. The music will be blaring and supporting team members and families will be cheering on the riders for two hours. The odd thing is there is no finish line to cross signifying the first place winner. The winner is determined by the amount of funds raised. The Sonshine Soup Kitchen and First Baptist Church Community Food pantry will be the recipients of the raised funds. Please come to the event, watch the fun, and bid on the auction. Or better yet, bid on line and let your friends and family know about it.

New this year is access to the silent auction on line. Go to either organizations' web sites:

<u>sonshinesoupkitchen.org</u> or <u>fbcderry.org.</u>

Wishful thinking

Does anyone have one of those trifold display boards used for sales presentations? The Soup Kitchen would love a more professional look when we are asked to present to groups and gatherings.

Monetary donations

Consider a cash donation to help us cover overhead and for the purchase of supplies not usually donated.

New volunteer groups & changes

We are sorry to say goodbye to the Ararat Armenian Congregational Church of Salem but thank them sincerely for their many years of service. Taking their place is the First Congregational Church of Salem lead by Merri Carlson. Welcome one and all.

We also have had to say goodbye to **Don Hines** of the Hines Group. Don has served for
five years and he will be missed. Taking his place
is **John McGarry** from the Derry Track Club.

We were in need of a group for the months when we have a 5th Wednesday and a gentleman (and great cook) by the name of **Frank Carpentino** came forward. We hope to partner Frank with the **Journey Church of Derry**.

As the **Future Business Leaders of America** keep graduating, we have a new leader for this group by the name of **Molly Gray** who will guide this all high school team as they cook and serve.

We have a name change to the Bach Group – they will now be called **Friends of the Orchard** and continue being led by **Christina Nadeau**.

Also new to SSK in 2015 is the **Exchange Club of Salem**, part of a national group that sponsors a variety of activities aimed at improving local communities. They are led by Nicole Shepley, past President of the club.

Last, but not least, we want to welcome **Sue Mellor** who leads on the third Friday of each month and **Al Roussell** who leads on the 4th Thursday of each month.

PLEASE CONSIDER SENDING (OFFICE@SONSHINESOUPKITCHEN.ORG) YOUR E-MAIL ADDRESS TO US SO WE CAN SEND THIS NEWSLETTER ELECTRONICALLY. IT LOOKS **GREAT IN COLOR!**

More giving and receiving

For the first time in our history, we are sending a remittance envelope in this newsletter. Your support is vital to the continuation of the Soup Kitchen mission. If you value what we do, consider making regular donations. Use the enclosed envelope or choose one of the other giving options listed on the envelope or on this page. We require ongoing support as providing meals to our at-risk community members in need is an ongoing need. And here is a challenge for you, see if you can find a friend, neighbor or family member who also values what we do and ask if they would match for gift. All of this will count toward the Linton Samaritan Fund match.

If you already are a regular donor. THANK YOU!

Matching gifts—and other alternative ways to give

Your company may have an **employee giving** plan available to you. These are programs designed for you to donate to charitable organizations with a payroll deduction. Some donations are **matched** by the employer. We would certainly appreciate being the beneficiary of any of these

plans. Please check with your company's human resource department to see what is available to you.

On-line giving now available

If you like the convenience of on-line giving, we now have an account with **PayPal** and a **link** on the

Soup Kitchen web site. Click on the PayPal logo that shows on every *page on our web site*. Paypal even provides an easy reoccurring donation option, as do the on-line billing paying of most banks.

United Way Giving

Another way to give is through your corporate United Way campaign. Sonshine Soup Kitchen does not have an agency number with United Way, but you can still **designate** us as the charity of your choice. Contact the Soup Kitchen office to get our tax id number if required by your company.

Meaningful holiday gifts

Do you ever struggle with finding the right gift for those folks on your list who seem to have everything? Consider a holiday donation **in honor** of your friends, co-workers or family.

We will mail a personalized gift card to the honoree for you. Please note, we need at least two weeks notice to process these special gifts in time for holiday giving.

a note from Christine—

As most of you know, I have been out on a medical leave since September 11. I have to tell you that I am literally itching to get back to the Soup Kitchen. This ministry is such a big part of my life. I miss everything—the other staff, all of the volunteers and most of all the Soup Kitchen guests who have taught me so much about life. I am glad to have had this time to slow down a bit and know that you have all been in the palm of God's hand as have I. See you before Thanksqiving.

Build to Feed

Build to Feed, our building capital campaign, began in 2012 with a challenge to match a \$50,000 gift. This was accomplished in a matter of weeks. Then the tough part began—finding a suitable property to house the ministry. This challenge continues, but we may be getting closer. It is too soon to make an announcement, but the Soup Kitchen Board has been busy looking at a viable location. In the meantime, we are strengthening our financial position and looking at capital campaign plans. Please continue to pray for this process and help us to prove our sustainability by joining our regular donors and answer the matching gift challenge from the Linton Samaritan Fund.

In memoriam

As the year draws to a close, we would like to remember friends and family members who were honored with donations to the Sonshine Soup Kitchen.

Christmas Eve and New Year's Eve

The Soup Kitchen will serve a noon meal on the "Eves". Volunteers will be needed from 10:00 a.m. until about 1:30 p.m.

Christmas and New Year's

Sorry to be rushing the season, but we can't talk about Thanksgiving without Christmas peeking over our shoulder. The Soup Kitchen will be closed on Christmas Day and New Year's Day, but as in years past, staff and volunteers are planning a special party for Soup Kitchen guests on Thursday, December 19, at 4:30. A superb meal will be prepared

and served by volunteers from the Derry schools, gifts are given to each regular guest, and we always hope for a visit from

Mr. and Mrs. Santa Claus. Linda German has graciously volunteered to serve as Chief Elf, coordinating the gifts again this year which is a very much appreciated Christmas gift to the staff! The office will still be the clearing house for the project, so give us a call (437-2833) if you, your family, your church, your group or your company would like to **sponsor** one or more **gifts** for our regular guests. These are specific items asked for by individuals.

May your holidays be blessed!

In the event of winter storms, we may need to close the office and the kitchen. We make every effort to call all volunteers to let them know of the change, but if in doubt, call the office or check with 95.7 FM (WZID.com), 96.5 (WMLL.com) or WMUR.com on-line. Closings will also be posted on the home page of our web site at www.sonshinesoupkitchen.org and on Facebook and Twitter.

To all of the Sonshine Soup Kitchen volunteers and supporters, The following is a note I received from a supporter that touched my heart. I saved it all year so that I could share it with you.
